# A “Thinking about joining Curitas?” page

One page on curitaspediatrics.com that answers the questions parents ask before they join, sends them straight to your Hint meet and greet booking link, and takes any other question in a box that lands in your inbox. The preview linked in the email is the page as it would look on day one, built from what your site says today.

## What’s included

- The page, installed on your existing Squarespace site at an address you pick (e.g. /join), in your site's colors and fonts.
- Answers written from your site. You edit them once before go-live.
- A Book button that goes to your existing Hint meet and greet link. Nothing changes in Hint.
- A question box that sends to hello@curitaspediatrics.com as a normal email.
- 30 days of text edits after go-live, as many as you need.

## What it doesn’t do

- No medical advice and no patient data.
- No new logins for you. Questions arrive as normal emails.
- No monthly fee from us. It lives on the hosting you already pay for.

## Timeline

- You reply that you want it. We send the answers for your edits within 2 days.
- You send edits back. The page is live within 5 business days of that.

> ### Free to use. $900 if you’d like to pay.
>
> It’s yours either way, with no obligation. If you find it useful and want to pay for it, it’s $900 one time, after the page is live and you’ve approved it.

## Why we’re offering this

We build software for new DPC practices and are mid-build on a patient app and member portal for a physician right now. The part every new practice handles by hand is the stretch before someone becomes a member. This page is the smallest piece of that we can build well, and we’d like Curitas to be one of the first practices running it.
